ADJUDICATION PROCESS

Three members of the adjudicator panel will attend one performance at each participating school and award points based on a rubric system. Following the performance, the adjudicators will complete a written critique; and all schools will be sent their school's critique as a learning tool. Up to five (5) nominations will be given for each award category. The Best Musical category will consist of three tiers based on musical production budget. Up to three (3) schools will be nominated within each tier.

THE AWARDS

The 2019 HSMTA will be held at Proctors on May 11, 2019. Distinguished artists and professionals from the region will present the awards. The ceremony, modeled on the Tony Awards™ format, will open and close with production numbers featuring two representatives from each participating high school.

In addition, the following student performances will be interspersed with the award presentations: one number from each of the nine Best Musical nominees (three schools per budget tier) and two medleys featuring students nominated for Best Actor and Best Actress. The order of performances will be decided by the High School Musical Awards Music Director.

TICKETS

Each participating school will receive 10 complimentary tickets, and can purchase group tickets at a reduced rate for participating students and directors prior to tickets going on sale to the public.

Any student participating in the awards ceremony will be backstage for the entire awards ceremony and therefore **will not** have a seat in the house. There will be a monitor backstage for these students to watch the awards ceremony. Ticket information for the general public will be issued by Proctors prior to the awards ceremony.

BEST ACTRESS/BEST ACTOR WINNERS

The winner of the Best Actor and Best Actress awards will represent Proctors and Upstate New York at the National High School Musical Theatre Awards (NHSMTA, known as The Jimmy Awards) in June 2019.

The winners will receive an all-expense paid trip to New York City where they will receive professional instruction and compete with students from across the country for title of Best National High School Actor and Best National High School Actress among other awards with a chance to win college scholarships. In the event Proctors High School Musical Theatre Awards' Best Actor or Best Actress winner(s) are unable to participate in the NHSMTA program, the nominee(s) with the second highest adjudicator's score will be invited.

To be eligible to participate in The Jimmy Awards, the Best Actor and Best Actress winners must have played a NHSMTA-recognized leading role in their school's production. For this reason, only students playing a NHSMTA-recognized leading role in their high school's production will be eligible for a Best Actor and/or Best Actress nomination. Visit school.proctors.org/hsmta2019 for the complete list.

ABOUT THE JIMMY AWARDS

The National High School Musical Theatre Awards (NHSMTA) was established in 2009 to elevate the importance of theatre arts education in schools and reward excellence in student performance. The program impacts over 50,000 students annually who participate in high school musical theatre competitions sponsored by thirty professional theatres throughout the US.

Thanks to the support of its participating professional regional theatres and donors, NHSMTA continues to grow. The depth, scope, and education-centric mission of NHSMTA coupled with its extensive television and media exposure have made participating in the program an aspiration for a growing number of high schools. Based on feedback from participating theatres, school administrators are now directing both human and financial resources to improve the quality of theatre arts education in their districts. This renewed enthusiasm for the performing arts in schools is already helping to invigorate local theatres and the communities they serve.
