Theatre Etiquette

It's helpful to review the rules of theatre etiquette before seeing a show, especially since this may be the first live theatre experience for some of your students. Please take a moment to discuss the following pointers prior to seeing the performance.

- Use the restroom before seeing the show as we do not have intermission during our school performances.
- Be respectful to the performers and other people in the audience by not talking during the performance. Remember, the actors can see and hear the audience just like you can see and hear them.
- Appropriate responses such as applause or laughter are always welcome.
- No photography or videotape recording of any kind. Please turn off all cell phones!

Get to the theatre!

Peg and Cat need to get to the theatre for their Live show, but Big Dog is in the way! Can you count how many steps it would take to get the theatre if they travel different routes? Which way would be the fastest?

After the Show

Three Dimensional Shapes!

Can you help Wizard Ramone magically transform each flat, 2-dimensional shape to its solid, 3-dimensional counterpart? Draw a line from the shape on the left to its new magical version on the right!
