

BROADWAY TECH

CAREER ORIENTATION PROGRAM WITH

Disney FROZEN THE HIT BROADWAY MUSICAL

This nationally recognized program will offer students FIVE DAYS of Broadway related career exploration during a major Broadway Technical Rehearsal of **Disney's FROZEN**.

FROZEN, the new musical, prior to the lunch of the First National Tour will be at Proctors **October 1 through November 11** during its Broadway Tech.

Have you ever wondered what it was like behind the scenes of a Broadway touring show? Or about the dozen of career paths in technical theatre, like sound design, lighting design, stage management, or costuming? Now is your chance, as the artistic, design and technical teams all come together to work in synergy to "tech" their major Broadway show for tour, during **FROZEN** at Proctors!

Proctors School of the Performing Arts offers a robust workforce development and training program through our exclusive industry connections. Together, **Disney's FROZEN** and Proctors will show that an interest in production and creative elements can translate to a vibrant career path.

- Workshops and presentations from Broadway professionals
- Q and A with Company Creatives
- Limited stage access and first hand observations of the crew and cast
- A ticket to attend a performance of the show at Proctors!

The program will be limited to 20 students who will attend sessions one day per week for the five-week technical rehearsal which will allow orientation and the progression of the tech from day to day.
