MISSION OF HIGH SCHOOL MUSICAL THEATRE AWARDS AT PROCTORS

To celebrate, inspire and honor excellence and achievement in high school musical theatre, and to highlight the importance of musical theatre and arts education within the greater Capital Region of New York.

Proctors Collaborative believes in doing what it takes to make our diverse Capital Region community more equitable, accessible, and inclusive. As you consider characters to submit for Best Actor and Best Actress, please be aware of the casting history in theater and how it has negatively impacted underrepresented communities. We encourage you to make casting selections that are authentic and in line with the roles being played.

COVID-19 PANDEMIC CHANGES

Collaborative School of the Arts impresses the need for safety during this upcoming spring. For this reason, rules and the model of HSMTA will change as needed for safety. This includes but is not limited to award categories and participation models. The final ceremony will be in-person if safety allows and in person activities will only happen with the utmost safety and social distancing protocols. Updates will be sent to all teachers and contact persons though-out the year.
